TASK 1: TERM THREE REFLECTION

You are to compose a page reflection in your homework book that reflects on 3 of your favourite moments from this term. Create an introduction and a conclusion to structure the piece accordingly.

Your 3 topics don’t have to be all about our classroom tasks, they could be whole school activities, moments or memories.

TASK 2: MATHS - FRACTIONS
Use the recipe below to complete the maths tasks.

This amazing spaghetti carbonara recipe serves 4 people (taken from taste.com). Can you apply your number skills using the four processes, decimals and fractions to rewrite the ingredients list to serve...

a) 8 people coming to dinner?
b) 10 people?
c) 12 people?
d) 1 person

- 400g spaghetti
- 1 tablespoon olive oil
- 200g sliced flat pancetta (see note), cut into 1cm-wide strips
- 2 garlic cloves, finely chopped
- 3 eggs, plus 1 extra yolk
- 100ml thickened cream
- 2/3 cup (50g) freshly grated parmesan, plus extra to serve
- 2 tablespoons chopped flat-leaf parsley leaves

TASK 3: ARE YOU UP TO DATE?
Review the tasks and activities to be published, presented and completed with your teacher this week. There might be a little something extra you can do at home to finish off.
